SPRING CLEAN-UP HELP FOR THE ELDERLY AND DISABLED

Hope in the Hills of Warren, a community extension of Warren County Habitat for Humanity, is sponsoring a new program this year called "A Day of Help". Volunteer teams of workers will be available to help with spring clean-up projects inside and/or outside the home.

A work team of teenagers and adults will perform 3 hours of work for elderly and disabled residents. Our volunteers represent many Christian denominations and various community organizations. The labor and materials we provide are free to qualifying households.

We are accepting applications from elderly or disabled residents of Washington Borough, Washington Township, Franklin Township, Mansfield Township or Oxford, until April 1, 2017.

You may be eligible to receive free spring clean-up help.

Residents are expected to be at home while our work crews are present. Work will take place between 8:00 AM and 4:00 PM. Our crews will be assigned to go out to selected residences for either a 3-hour morning or 3-hour afternoon work shift. **Priority will be given to elderly or disabled residents who would otherwise find it difficult or impossible to have this work done.** Hope in the Hills of Warren is insured.

Possible projects could include:
