Evans explained the 2% cap increase is 2% plus exclusions which include increases to the pension, health insurance, debt service, and allowances for additional added assessments. The average increase in 2012 was 3-4% of the overall tax rate by the State. Mr. Finke discussed the expenditure cap and tax levy cap with D. Evans. D. Evans feels the Township is in excellent shape. The tax collection rate dropped a full percentage point in 2012 which had an impact on the budget. This was a loss to the Township of approximately \$250,000. J. Cooper stated the current garage was built in 1967 with two bays added in the early 1970's. They have outgrown the current facility and would like to get estimates for a new building. Mr. Kovacs recommends J. Cooper obtain estimates and the Committee revisit this once the budget is adopted. Mr. Finke asked if the Borough could be charged for some of the building due to servicing the police vehicles. J. Cooper replied the Borough is charged a portion of the mechanic's salary and didn't feel the Township could charge them for the building.
